# *Dedication*

The members of the first graduating class of Sandy Springs High School have given unselfishly of their time and talents in scholastic, athletic, and social undertakings, and have built and maintained a school with a reputation to be proud of and respected. In maintaining this reputation, they have established many fine organizations throughout their school and hope that their successors will add to and enhance their number and value.

Naturally, these great achievements would have been impossible, or at least improbable, without the guidance and support of the administration, faculty, parents, and fellow students.

May these seniors go forth, confident that they have fulfilled their aims and endeavors, always remembering the wonderful experiences they have shared. In appreciation of their fine school spirit and outstanding abilities, we, the CONCOLOR Staff, dedicate this book to the first Senior Class of Sandy Springs High School.

PAUL WEST, Superintendent of Fulton  
County Schools

EDWARD G. ZACHERT, Principal

TO THE FIRST SENIOR CLASS:

The fulfillment of a long sought goal always brings feelings of satisfaction. You are not at such a point. In review you can see a task well done.

The faculty and undergraduates of Sandy Springs High School say thanks to you, the first senior class, for showing the way so successfully.

We ask that you remember as you leave here and go on to college and/or work that you still will be setting a pattern for others to follow.

You have pioneered in establishing the high reputation of Sandy Springs High. You will also pioneer in establishing a reputation for Sandy Springs High by the quality of your performances in college and the business world.

We confidently look to you for the best.

Sincerely,

An abstract geometric composition featuring several diamond shapes and intersecting lines. A large, dark grey diamond is positioned in the lower half, containing the word 'ACTIVITIES'. Above it, a large, thin-lined diamond is oriented vertically. To the right of this vertical diamond is a smaller, light green diamond. Further right is a dark, textured diamond with a white outline. To the left of the vertical diamond are two smaller, solid dark diamonds. In the bottom left corner, a black line forms a jagged, mountain-like shape. The background is a light, off-white color.

The image features a minimalist, abstract design. A large, solid grey diamond is positioned in the upper right quadrant. The word "ATHLETICS" is printed in a bold, white, sans-serif font across the center of this diamond. To the left of the large diamond, a series of black lines form a jagged, mountain-like silhouette. This silhouette includes a solid black diamond on the left and a smaller, hollow black diamond below it. In the lower left corner, a dark grey triangle points upwards, partially covered by a light grey, textured, brush-stroke-like shape. Another smaller, solid black diamond is located at the bottom right of the composition.

Sandy Springs was very proud of its basketball team in this, our first year as a fully accredited high school. The Panther quintet's flashy style of play and fighting spirit captured the imagination of students and teachers alike and carved a lasting niche in our school's still young athletic history. Hearty congratulations are in order for Coach McBrayer for the superb job of coaching which he did. The senior-laden squad used valuable experience and brilliant teamwork to rush to a 16-5 season record and the coveted No. 1 seed in the Region 4-AA West tournament.
